

HAPPY E-TWINNING DAY

A Special Day To Be Celebrated In A Month

What is e-twinning?

- it is a community established to obtain development projects with selected schools of countries in Europe.

What does it contain?

- projects are collaborations of different students from different schools, where the planned studies are carried out student-centered activities and these are shared online with other schools

Şanlıurfa Anatolian High School
ŞANLIURFA

What are the benefits?

- opportunity to communicate with foreign countries
- language practice development
- professional self-development

How do you join?

- you can become a member of the e-twinning site and log in to the e-twinning Live portal and apply for options from the project applications.
